Dear Mr. [REDACTED]

We acknowledge receipt of your e-mail dated 07 January 2004.

A copy of your e-mail has been sent to the European Anti-Fraud Office, OLAF<sup>1</sup>, which may at its discretion initiate further investigations. Please note that this transmission does not imply that a fraud has been or will be established. Please send directly to the Office, as well as to the Court, any additional documentation you may have that could help with analysing the situation you describe.

We draw your attention to the fact that the Court of Auditors does not initiate investigations at the request of third parties, except in cases explicitly foreseen by the Treaties. However, where possible and appropriate, the information that you have sent us will be taken into account in the Court's work.

Yours sincerely,

[REDACTED SIGNATURE]
